

Merry Christmas

Presidents Report - December 2009

Hello to everyone,
It has been a great year for the club, our projects are all moving forward and membership is strong. A few challenges lie ahead with the next year coming and I think that it goes without saying that we are all up for it.

Thanks to all members who made it to the annual SADARC Christmas breakup at the Mooroopna Golf Club. I think everyone had a fantastic time with good food and good people. I would also like to take this opportunity to thank all the ladies in the catering team for our 2009 hamfest we couldn't do it without all your fantastic help.

I think there has been some confusion as to when the nets on 2m and 80m are being run now. The 80m net is now being run on a Wednesday night starting at 7:30pm. The club's 2 meter net has been changed to Sunday nights starting at 7:30pm. Then the WIA broadcast starts at 8:30pm. The above was decided by the members at the November meeting. I have heard a lot of people aren't happy with the decision to move the net so can I suggest that those people attend the February meeting to voice their concerns.

I am going to keep this report very short as I have 101 things to do this month and am rapidly running out of time. I would like to wish all members and their families and very merry Christmas and a safe and wonderful new year for 2010

I look forward to chatting to you all over the break and hope to see you all in February next year.

Cheers 73
